Bedroom 3 (Office) with walk-in closet (4' wide x 5' deep)

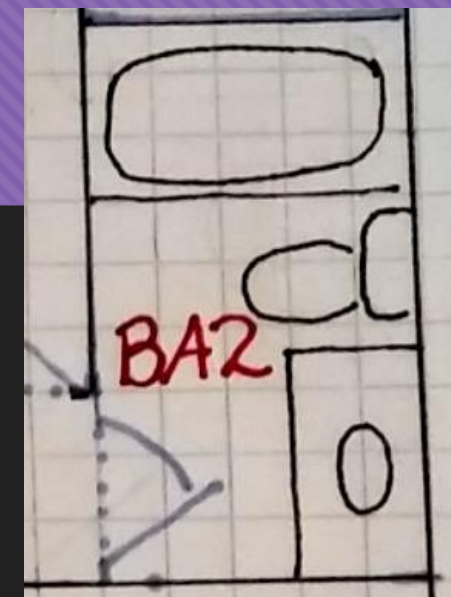

My Photo

Listing Photo

Guest Bathroom

View of  
the  
backyard

*My Photos*

Back door/storm door---with dog doors pre-installed! Back door has a double-paned window with blinds between the panes.

*My Photo*

Back deck (Step to house needs reflective tape/paint to eliminate trip hazard; bricks/blocks that form bottom “step” into the yard need to be replaced/leveled to eliminate trip/fall hazard. I know these things from personal experience!)
